

# HOLBORN STEREO

Basic information for the media and promoters

## **Bio**

Holborn Stereo is an indie rock band formed in early 2018. In their very British sound you can find all that influenced them: from The Beatles, Pink Floyd, via 1990s Britpop to the vast amount of contemporary marvelous music. Simply put: original music, English lyrics and muchness.

In 2019, the band won 3<sup>rd</sup> prize in Festklip 2019 with their "21st Century" video. They were also nominated in "Image and expression of the year" category of MTA 2019 (Music Talent Awards, part of Skutečná liga Středočeského kraje contest).

Holborn Stereo has played numerous gigs in the Czech Republic and in Berlin, Germany.
